Heleyna was a fantastic GSI. She was always prepared, attentive, and enthusiastic in instructing and supporting students. She did a fantastic job of making students feel included and empowered to do their best work in class. She explained very clearly and effectively without being at all overbearing. She always helped, and never made me feel embarrassed to be asking a question I was.
she chill af got us donuts!
She constantly fielded a barrage of questions from all of the students, and helped clarify expectations for the lab in general.
