very helpful and kind. made it easy to ask questions
I loved Heleyna. She was a great GSI and she was always there to answer questions or anything she needed from students and always helped with a smile on her face. I'm glad I got to have her as a GSI.
I was very happy to have her as my GSI. She was very respectful and helpful. Her teaching was very helpful to my learning of the content in this course.
Heleyna Tucker was an awesome GSI and I enjoyed class, even if I had selected traditional learning for the semester.
She is so sweet and engaged with students well (and brought us donuts once!)
I really liked her class. I felt very good about the labs and the case studies, and when class was over I felt very confident in the work I turned in every week.
